1. Purpose

To establish a standardized procedure for safe, hygienic, uniform cutting and portioning of luncheon meat using a wire slicer to ensure product consistency, visual presentation standards, portion control, and food safety compliance.

2. Scope

This applies to all kitchen employees, food preparation staff, shift leaders, restaurant management, and quality control officers involved in the preparation, slicing, portioning, plating, and supervisory oversight of luncheon meat.

3. Responsibilities

3.1. Kitchen Employees

Shall be responsible for strictly adhering to personal hygiene standards and wearing clean, food-grade disposable gloves prior to handling food contact surfaces. They are required to safely operate the wire slicer, slice luncheon meat uniformly, and accurately portion and plate dishes according to presentation standards. Additionally, they must immediately report any damaged wire slicers, equipment faults, or product non-conformances to their direct supervisor.

3.2. Kitchen Captain

Shall be responsible for directly supervising daily prep execution, inspecting portion accuracy, and verifying visual presentation standards across all plates. They must continuously monitor kitchen employees compliance with safety, sanitation, and hygiene procedures. Furthermore, they inspect equipment conditions prior to use and ensure all wire slicers and preparation utensils are properly cleaned, sanitized, and stored after each shift.

3.3. Shift Manager

3.4. Restaurant Manager

3.5.

4. Definition of Terms

5. Procedure

6. Corrective Action

7. Verification

This SOP is verified through monthly internal audits and annual reviews of food safety records to ensure the hygiene program remains effective against evolving.
